Welcome to

COASTLANDS

'A community of Hope'

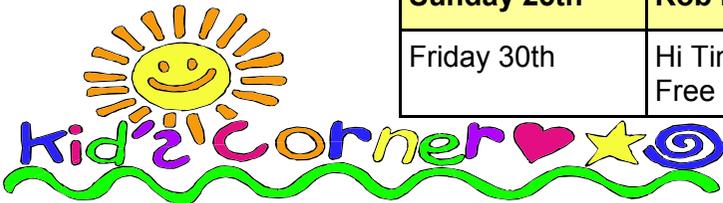

Happening This Month! AUGUST

Don't forget to pray for each person from Coastlands- it's very important to them, and God. Numbering the names on the Directory is a helpful tool.

Please pray often, for the Leadership Team. We all have a big role to play in increasing God's Kingdom.

Do you know what God is like? He gave us a book that tells us all about Himself and why He created us. It is called the Bible. God made us in His image- so we look something like He does. If you want to work out what God is really like, unscramble these words, then read part 2

**PART 2) Here's the tricky part:
GOD WANTS US TO BECOME
JUST LIKE JESUS!!!**

This is a real challenge but you don't have to do it alone- God is ready and waiting to help you with it- just ask! (Also, the Bible is full of helpful tips)

'walk in His shoes'

It's great to have you join us today in worshipping the ONE TRUE GOD. Please stay after the service for a cuppa and fellowship. *Care Cards on the table are a Heartwarming way of encouraging people and letting them know you care- they can be placed in the offering bag and will be discreetly given to your friend.*

What is **GOD** like?

"Quick, What is God like?"

1 (According to Elaine Storky, that Question, "Quick, what is God like?" was asked by a five year old girl who rushed up to her newborn brother in the hospital room. She shrewdly figured that, having just come from Heaven, he might have some inside information. Alas, he merely made a gurgling sound and rolled his eyes. The Old Testament provides an answer to the little girls question, a different answer than we might get from The New Testament. The late professor Langdon Gilkey used to say that if evangelical Christianity has a heresy it is the neglect of God the Father, the Creator, Preserver, and Ruler of all human history and every human community, in favour of Jesus the Son, who relates to individual souls and their destinies.)

How we view God makes an enormous difference as to how we view the future. To get a true picture of "What is God like?" we must look at both The Old and The New testaments because one by itself only give us a partial glimpse of the true God! For the past 60 years God has been many different things to the Montello/Coastlands Community of Hope Congregation. He has always been there and He has always been faithful to His people, His word, and Himself. God will lead us (His people) into the future with renewed hope and He is ready to give us corporately and individually more than we can ever imagine or ask for. He is waiting and wanting to pour out His unlimited Grace, Power, and Faithfulness to all who will seek Him.

Jeremiah 31:33. "I will put my law in their minds and write it on their hearts. I will be their God, and they will be my people.

2 Chronicles 7:14 If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven and will forgive their sins and will heal their land.

I don't know what God is like for you or what sort of images you may have of Him, but I do know that if we humbly seek Him He will faithfully lead us who are faithful to Him into an unimaginably beautiful future.

Will you/me/us trust Him? 1 (Philip Yancey – The Bible Jesus read)
